

May Family Honored for Years of Support by Ronald McDonald House New York – Happy Faces Foundation

The Children's Happy Faces Foundation Charity Golf and Tennis Outing, held on September 27, 2016, raised a record-breaking \$600,000 in support of Ronald McDonald House of New York and the Make-A-Wish Foundation of Hudson Valley. Now in its tenth year, the event has raised over \$4 million in support of families battling pediatric cancer.

This extraordinary anniversary was celebrated in recognition of two beloved philanthropic families — the May and Barry Families — who have both played a major role in the charity's

collective efforts to raise money and recognition for this most important cause.

The May family, with Andrew and Adam May in attendance, was recognized for their ongoing support of Ronald McDonald House of New York and the Make-A-Wish Foundation of Hudson Valley and for their generous donation of new washers and dryers (and lifetime service at no charge) to The Ronald McDonald House on the Upper East Side in New York City.
